We are a public post-secondary institution and we are one of Canada's biggest University Transfer colleges. Students can choose from over 750 first- and second-year University Transfer courses, including Business, Computer Science, Engineering, Science, and Arts. They may then choose to transfer to universities in Canada to complete their Bachelor's Degree. Our students have a proven record of success after transferring to top universities including UBC, SFU, York, Queen's, McGill and University of Toronto. Students may also choose to study from more than 40 Post Degree Diploma, Career Diploma and Certificate programs which provide them with practical training for two years before they enter the job market. All programs offered by Langara College are post-graduation work permit eligible. If students need English upgrading, we offer a superior English language program, Langara English for Academic Purposes (LEAP), preparing them for entering University Transfer or Career programs.
